

Safeguarding Statement

Nottingham Narrow Boat Project is committed to safeguarding and promoting the welfare of children, young people, and vulnerable adults. We will respond robustly to all concerns about the safety and welfare of children, young people and vulnerable adults that are reported to us. This commitment applies equally to children and young people that we work with directly and those that we meet. We expect all staff and volunteers to share this commitment.

All paid staff and volunteers will have undertaken safeguarding training and will all hold a current DBS.
